

Malachi - Coming Back

September 10, 2017

Welcome Back
Brad Watson

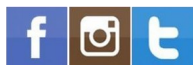

Malachi 3:7; Malachi 1:1-2, 6-14
Romans 12:1-2

1. **Have you ever drifted away from your relationship with God? How did it happen?**
2. **Wouldn't it be great if we all had a spiritual lane departure warning? Oh, wait Jesus followers actually do, He's called the Holy Spirit. How do you think the Holy Spirit warns us that we are drifting away from our pure and simple devotion to Christ?**
3. **Spiritual drift often happens when the love of God becomes old-school, been-there done that, old, stale and cold. When is the last time that you experienced the holy passionate love of God for you? To know where you are really at with Jesus ask yourself what made you really glad lately? What made you really sad? Do either of those connect with your relationship with Him?**
4. **Where have you been disappointed with God and how did you work through that "in order to keep yourself in the love of God?"**
5. **Brad mentioned that his "best lamb" offering included making a radical commitment of never missing a time for reading and praying for 15 minutes and doing life in community. What about you? Can you see how Bible reading and community can keep us from drifting out of wholehearted devotion to Christ?**
