Why Christmas?

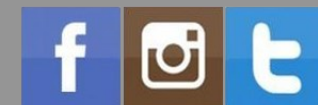

DECEMBER 3, 2017

Consumed
Brad Watson

John 6:25-69; John 4:32

1. Do you have a favourite food you look forward to at Christmas?
2. Jesus followers believe some pretty weird things - like God became fully human. Why do you think this is weird or not? Are there any other weird things Christians believe?
3. Where do you see people looking for ultimate satisfaction? Where do you look for it?
4. Read Jesus' words from John 6:53-57. Talk about weird...What do you think Jesus means by these words?
5. You are consumed by what you consume. So what are you consumed with this Christmas? What are you obsessed with, and preoccupied by? What rules your life as you prep for Christmas? What is your heart longing for most this Christmas?
6. If the "why" of Christmas was that we couldn't satisfy ourselves, who is the who you need to share the why with? Pick a gospel and read it over the next weeks to discover how Jesus shows us the Father.
