## LIVE FULLY ALIVE!

I remain confident of this:  
I will see the goodness of the  
Lord in the land of the Living.  
Psalm 27:13 NIV

### PARENT TIME

I've heard it said that life is sprinting past us, but I've realized that statement is wrong. We are actually sprinting past life, missing beautiful moments. I thought if we began experiencing moments, on purpose, then we would find ourselves with a much more fulfilling life and a deeper connection as a family.

The great thing about being a Moment Maker is that it doesn't take large amounts of cash, epic trips around the world, or anything more than intentionality.

Create moments on purpose, and you will soon find yourself living your life as opposed to your life living you.

June 24, 2018 - YEAR END PARTY!

Write a note that states at least two talents or gifts you see in your child. Remember what you write because it will come up in discussion later this month for drive time.

**Ask a kid:** What physical feat can you do better than anyone else you know?

**Ask a parent:** If you were all-powerful like God for a day, what would you do?

While in the car, start a conversation that goes something like this, "God can use you no matter what. Do you remember the note I wrote you that said all the wonderful things I see you? What do you think you would want to do with those gifts one day?"

Is there something in your life that seems impossible? Facing something big like that can make you feel helpless. But here's the awesome thing to remember: God can do anything! You can live with confidence knowing that God can take away that obstacle in front of you or maybe carry you right through it. Pray that God will help you see how big He is so that you can live with confidence in Him.
