# OVERDRAFT

MARCH 10, 2019

## **Patrick Voo**

*Patrick is a classic wannabe rebel who has his head in the clouds and his feet planted either in his running shoes, on his motorcycle footpegs or on a community theatre stage. He's got the most understanding and patient wife and daughters, and hopes to one day figure out what he's going to be when he grows up.*

**Key Scriptures:** Lamentations 3:22-23; Matthew 18:21-35; Romans 8:31-39

## **No More Chances**

*Even when we overdraft on sin, God overwhelms us with grace*

### Reflections/Questions:

Have you ever found yourself in a situation in which you felt like you were just too far gone? That you'd messed up one too many times? How did you know you'd gotten to that point - was it something inside that told you that, or did someone else pass that judgment on you?

People (especially Christians) toss around the idea of 'unconditional love'. What does that mean to you. What does it look like? When have you ever seen unconditional love in action?

Which do you think is harder - to forgive people, to ask for forgiveness, or to actually accept forgiveness?

Think about what God must see when He looks at you ... what makes His heart ache for you? What makes His heart full about you?

New here? Questions? Pick up a Welcome Card at the Auditorium doors!
