Pastoral Search Committee News

The search committee encourages your participation in the search process through prayer. Each month we will communicate with you important updates and specific requests for prayer. This month, your search committee will endeavour to create a pastoral profile for ideal candidates based on the church's ministry needs, vision, mission and values. Pray that the true needs of the congregation will come to surface as the Team seeks the Lord's will for our church. Pray for wisdom and discernment, clarity and unity for the Team and our church as one body in Christ.
