

# SEPTEMBER in KIDS COVE

Toddler 2 - JK/SK

We began a new curriculum with our 2 & 3 year olds this summer, called First Look. I'm excited to announce our JK/SK's will now be introduced to it. Each week, our little ones will be diving into various Bible stories presented through an interactive, exciting, and engaging videos. When was the last time you took the time to really look at everything God made? We need that WONDER dial turned way up! ALL the way up! And the best way to do that is to experience some of that wonder! When we take the time to look at this amazing world God made, we are filled with awe and wonder. It's that feeling of wonder we want our kids to have as they learn about God's creation. We are going to do a lot of counting together this month—one, two, three, four, five, six, seven—pausing to learn what God made on each day of creation. Through our fun and exciting activities and stories we want our little ones to learn God made everything, and IT IS GOOD!

The Bottom line for the whole month is **“God Made Everything”**. Our Memory verse for the summer is *“God saw everything he had made, and it was very good.” - Genesis 1:31*. Stay tuned each week for some important updates and ways to continue to build Faith@Home through what we are learning on Sundays.

Grade 1-4

Excited to start our fall off with our grade 1-4's learning about **TRUST**, **“Putting your confidence in someone you can depend on.”** Throughout history God has proven His faithfulness to us, especially in keeping His promise to send Jesus to save us. God will continue to be dependable. The Bible is filled with examples of people who knew first-hand what it means to trust God. This month, we focus on two of them: Jacob and Joseph. Through their stories, we'll discover how we can trust Him no matter what we face.

Each week we will cover a new Bottom Line about Trust through our bible stories walking through Joseph's story. Our memory verse that we will be covering this month is, *“Trust in the Lord with all your heart. Do not depend on your own understanding.” Proverbs 3:5*. Stay tuned for weekly updates and ways for us to continue to build Faith@Home.
