

WELCOME

20/20 Vision - A big 'thanks' to all who came out to help, perform and attend our Open Mic/Coffee house. It was a huge success in every way. Our refreshment counter raised \$245 in donations. These will be going to DWCC to help with the awesome work done for folks in the downtown area. www.dwcc.ca

GOD QUESTIONS

How Does God Guide? (Dreaming Wide Awake)

Patrick Voo

Key Scriptures: Acts 2:17, Genesis 28:10-16,
Matthew 27:19

Questions/Reflections:

1. How well do you remember your dreams at night? Have you ever paid much attention to them? Are there any recurring ones that you have?
2. What are some of the most compelling ways that God has spoken to/ connected with you? If you've never felt like God has ever communicated with you, how do you wish that he would reach out?
3. Everyone has dreams, visions and goals for their lives....it's just that sometimes we let them slip away or get buried under other responsibilities, priorities or distractions. What's a dream that maybe God planted deep inside of you that has faded into the background of your life?
4. If you chased down a life dream of yours, how do you think that God would be glorified or His will worked out through you? Could it be possible that His dreams for you align with your dreams for you?
